

Change the World With Your Step -Plus One for International Cooperation

Global Festa JAPAN is one of the Japan's largest international cooperation events, bringing together a wide range of public and private organizations engaged in international cooperation activities and the SDGs.

The 34th edition, Global Festa JAPAN 2025, will be held in a hybrid format—combining both in-person events at indoor and outdoor venues and online streaming for audiences everywhere.

Each of our "Plus One" actions will pave the way to a sustainable society.
Your step will become the power to change the world.
Why not join us and be part of a "Plus One" for international cooperation?
